

# Public Cruise Deck Rentals

Our semi-private option on a public cruise offers an exclusive space for your group, separate from other cruise guests. Enjoy your own floor with easy access to the bar and outdoor deck—perfect for a more private, memorable experience. If you want to make it extra special, you can decorate the space 30 minutes before boarding starts.

*The total cost of a semi private deck rental includes the deck rental fee, cost of tickets, plus a gratuity of 20% for your party. Subject to blackout dates, availability, and group size. A minimum guest count is required to book.*

Our Upper Deck rental offers a semi-private space on our yacht, providing a unique setting with beautiful views and access to a full-service bar.

Due to USCG Rules and Regulations, all guests must have access to the entire yacht at all times, which means that other public guests may use the bar and the outside upper deck area. We also offer lower deck and total boat buyouts for larger groups.

For public cruise buyouts - the menu, timing, setup, background music, and décor is not changeable.

This rental is subject to availability, blackout dates, and specific group size requirements.

The total cost of a deck rental includes the deck rental fee, cost of tickets, plus 20% gratuity automatically added for your party.

While other guests can also use the outer deck, there are multiple outdoor areas available, and most order through their servers rather than the upstairs bar—so your group will have a comfortable, exclusive feel.
